Pinot Noir Sonoma Mountain 2010

Score: 92

Release Price: \$55

Country: California

Region: Sonoma

Issue: Dec 31, 2012

Rich and muscular, showing great density, concentration and range of flavors. Offers mineral-laced dark berry, roasted herb and lavender notes that show touches of smoke, with chewy tannins on the finish. Should only get better. Best from 2013 through 2023. 149 cases made. *-JL*
